

GCTC BUSINESS REGULATIONS

BUSINESS TERMS AND CONDITIONS OF PASSENGER TRANSPORTATION CONTRACTS OF MAHART PASSNAVE
SZEMÉLYHAJÓZÁSI KFT.

ON INTERNATIONAL AND DOMESTIC HYDROFOILS, SCHEDULED BOATS AND CHARTER BOATS

1.) Scope of the Regulation

These Business Terms and Conditions are based on the terms of the agreement between MAHART PassNave Személyhajózási Korlátolt Felelősségű Társaság (hereinafter: **PassNave Kft**, registered office: 1056 Budapest, Belgrád rakpart, International Port, company registration number: 01-09-268781) and its legally contracted partners of passenger transportation (individuals and groups on scheduled services as well as charter passengers, hereinafter jointly as: passenger), unless PassNave Kft and the passenger agree differently in the contract that governs their legal relationship. Passenger transportation by PassNave Kft is regulated by Act V of 2013 on the *Civil Code* (hereinafter: '**Civil Code**'), Act XLII of 2000 on Water Transport, Act CLV of 1997 on Consumer Protection, Government Decree 261/2008 (03 November) on the Terms and Conditions of Passenger Transportation (hereinafter: '**TCPT**') and the present Business Regulations, with the understanding that PassNave Kft is not involved in public passenger transportation.

2.) Start of legal relationship

A passenger transportation contract and, based on that, a legal relationship of passenger transportation begins when the passenger:

- buys a ticket (either in person, from a ticket machine or online), or
- orders passenger transportation in writing, and the order is confirmed.

In case a third party orders transportation and other related services on behalf of a passenger, PassNave Kft will not check whether the third party is a legal representative of the passenger(s). With the order, the third party becomes a legally contracted partner of PassNave Kft, in line with the regulations of Section 6:136 of the Civil Code.

In the case of a person travelling without a ticket, at the moment of commencement of embarkation onto the ship, based on the implicit behaviour, the passenger relationship is established between PassNave Kft. and the person commencing the boarding.

3.) Obligations of PassNave Kft.

PassNave Kft has the obligation to transport any passenger with a valid ticket, at the indicated time and on the given service, provided that

- passenger transportation has not been banned by any law or decree;
- transportation is possible with the boat available;

□ transportation is not obstructed by any circumstance attributable to the passenger or that cannot be avoided or averted by PassNave Kft (force majeure).

PassNave Kft shall inform passengers about any circumstance that prevents transportation or any restrictions imposed by authorities on site at ports, on its website and, when necessary, through press or radio announcements, or in case of having personal contact information, by telephone or email. The service may be cancelled after the announcement, however passengers are entitled to a full refund of the fare (purchase price) in such cases.

In case of scheduled domestic services, if the boat cannot begin and/or continue its journey towards its destination due to any type of obstacle, and the obligation of transportation cannot be fulfilled by a substitute boat, the passenger is entitled to a refund of the fare for the cancelled part of the trip or they can ask to be transported back to the point of departure and request the refund of their entire fare, unless the transportation obstacle was caused by events outside of the control of PassNave Kft (force majeure).

If a substitute vehicle is used, PassNave Kft will not charge a supplementary fee, but at the same time, will also not refund fares.

Cases of force majeure include:

- river barrage,
- accident involving another water vehicle,

PassNave Kft will accept no further claims beyond the travel obstacles listed above.

4.) Passenger liabilities

At the port (boat dock), passengers and their escorts can only enter areas open to them. Persons excluded from passenger transportation are not allowed to enter the area of the port (boat dock), furthermore, items excluded from passenger transportation are prohibited within the area.

On the boat, passengers can only access the areas open to them. Escorts without a valid ticket, except for the escorts assisting disabled passengers, are not allowed on board.

In the port (boat dock) as well as on board the vessel, any behaviour that inconveniences other passengers or disrupts the work of the ports (boat docks) or our staff, as well as smoking in prohibited areas, is forbidden. Smoking is not permitted in enclosed passenger spaces as well in other enclosed areas of the boat (e.g. toilets).

Passengers must keep their tickets for the whole duration of the trip, and must show them to the ticket inspector of PassNave Kft., along with any discount entitling identification they may have.

Passengers must not defile, contaminate or damage the boat dock (port), the boat or its facilities. Passengers who defile, contaminate or damage the boat dock (port), the boat or its facilities, shall bear the costs associated with cleaning and disinfecting, as well as the costs for all damages caused. Once on board, passengers must adhere to all security and safety instructions of the boat's captain.

PassNave Kft can only fulfil its obligations regarding passenger transportation if the passenger presents both a specified form of ID valid for international travel and a valid ticket.

PassNave Kft will not be held liable for damages arising from failure to meet any of the above requirements.

In case of an accident occurring on water or an incident on the water transportation, the passenger must follow the instructions of the boat's crew.

The passenger must adhere to all effective rules and regulations concerning travel, as well as the laws of the destination country. Any costs and damages incurred as a result of failure to do so will be borne by the passenger.

If the passenger does not fulfil official obligations or is not present on time for departure, PassNave Kft is only bound to fulfil its passenger transportation obligation if in doing so it does not jeopardise its obligations towards other passengers, e.g. scheduled departure of the boat.

- who boards the boat with a hand luggage item that is prohibited.

If any of the above takes place after departure, the captain of the boat has the authority to ask the passenger to disembark at the nearest port.

On the boat, disabled passengers and children under the age of 14 can only travel with an escort. Boarding the boat without an escort is considered as a declaration that the passenger in question is over the age of 14.

Passengers who get sick or suffer an accident during their trip are transported to the nearest port by PassNave Kft, where they can receive the required medical assistance.

If a disease is suspected to be contagious, PassNave Kft will do its best to separate the sick passenger from other passengers.

Passengers who are expelled from the boat or excluded from the trip due to their own fault are not entitled to a refund of their fare or other charges, e.g. bicycle transport costs, and can claim their cabin baggage only at final destination port, if the returning of which is not possible during the scheduled stand-by period of the vessel.

PassNave Kft. can exclude passengers from travelling if the maximum passenger limit of the vessel is reached.

6.) Timetable, duration of trips

Scheduled boats of PassNave Kft travel according to an official, published timetable (scheduled services). The shortest duration of travel between ports is determined by PassNave Kft. PassNave Kft is liable for damages caused by its failure to keep the timetable only if the delay occurs because of negligence on the part of PassNave Kft.

7.) Transportation fares, luggage fees

In such cases, the terms and conditions of cancellation within 24 hours take effect.

If the debtor does not pay the travel fare and penalty fee amount specified in the report within 8 days of the travel date, PassNave Kft. shall call on them to provide payment with the setting of a new deadline. If the passenger still does not fulfil their obligation within the new deadline, PassNave Kft. shall initiate legal action for the recovery of the claim. The costs of the latter must also be borne by the debtor.

In case of travel with an invalid ticket, the amount of a full fare ticket must be paid together with the penalty fee, which is three times the full ticket fare.
